

Activities for 8-17 year olds

Covering letter

12/02/2019

We are very pleased to be sending you this information about our new Children and Young People's services for 2019. We have a new programme for young people aged 8-17 years old with mild to moderate Learning Disabilities, Social Communication Conditions, ADHD and other additional needs. This service is funded for people in the borough of Richmond Upon Thames.

Enclosed are the activities for the first few months (Feb-May 2019). We hope that there will be something that everyone can enjoy over the year. This will be an ongoing programme of activities and we will send out information about the next block of dates (June-August) in April/May.

We want to welcome new people into the service, so please do phone or email us for more information or to make a booking. If your child hasn't attended Richmond Mencap activities before I will arrange a time to meet with you and your child or young person before we allocate any places, but we will ensure places are allocated fairly to both new and previous attendees.

I am available in the office Monday to Thursday's until 1.00pm. Please contact me on 020 8744 1923 or at office@richmondmencap.org.uk. If I am not available please leave a message or email me and I will get back to you as soon as I can.

I look forward to seeing you soon.

Best wishes,

Richard Ferriday
